English title: The death of mr. Lazarecu

Original title: Moartea domnului Lazarescu

2005/Romania/ 150' / Fiction/ Colour

Mr. Lazarescu (Ion Fiscuteanu) is not feeling well. He has a bad headache and has been vomiting. He feels that it is something more serious than the pain caused by his ulcer and the hangovers caused by his regular excessive drinking. He calls for an ambulance, and after convincing the skeptical dispatcher that he is not simply drunk, he begins the long wait for help to arrive.
