

Born in 1981 in Aretxabaleta (Basque Country), Esther Cabero has broad experience working in different cinema and art fields. She graduated in Humanities and Communication at Deusto University and began her career in San Sebastian International Film Festival's professional area –Sales Office and Industry Club- as the Department Manager's Assistant, developing wide knowledge on the configuration of the international cinematographic market and the industry representatives. After taking a Master's Degree in Cultural Management, she worked at the Department of Culture of the Spanish Film Academy and at several artistic projects. Since July 2011, she coordinates the Basque Government's Kimuak project, a promotion and distribution program for a selection of Basque short films.
