

Director: Fabian Kati

English title: HIDDEN DOCUMENTARY

Original title: DOKUMENTARI I PASHFAQUR

2013/UK/Albania/'51/Documentary/Color

SYNOPSIS

A forty years long lost documentary, realised during the communist era, is discussed in depth with its director, cinematographer and some of its background actors. It emerges the futile and grotesque way that documentary was censored for the Albanian public, while continued to be screened for foreign tourists visiting Albania. It is a way to reflect about the past, but not only, looking closely into apparently small and insignificant events.
